

BIOLOGY HONORS CHECKLIST

Please note: Students who do not hand in the HONORS PROGRESS REPORT by March 1 are excluded from the Honors Program. In addition, it is now the policy of certain Biology faculty to resign from Honors committees if they do not receive the written thesis by April 9. The consequence of this is the loss of your Honors Degree.

- Register for Biology 495 or 495WR (495WR during graduation semester**)
- Attend Honors meeting organized by Harvey Klehr and College office staff.
- Register for Spring semester Graduate Course.
- Hand in research proposal to Barry Yedvobnick by November 1.
- Fall Honors Biology Grade Report form to Barry Yedvobnick by Dec. 10.
- Select committee by January 30 and provide them with a copy of your proposal and a brief written progress report at that time.
- 15 minute oral progress report to committee by February 28
- HONORS PROGRESS REPORT form to Barry Yedvobnick by March 1.
- Publication quality thesis to each committee member by ~ April 9.
Needs Approval Form signed by your thesis advisor
- 30 minute oral thesis defense by ~ April 21
- Spring Honors Biology Grade Report to Barry Yedvobnick by ~ April 23.
- Final corrected version of thesis due in late April to College Office: including
 - 1. One copy on "**Thesis Paper**" (Emory Bookstore) and two xerox copies, also on "**Thesis Paper.**"
 - 2. Departmental copy letter
 - 3. Honors Examination Report
- Now relax: you have completed the Honors requirements

**** Even if you have 8 or more Biology 499/495 credits you need to register for at least 1 credit of Bio 495WR to meet the writing requirement for graduation.**
